GrillMate™

Heat-Activated Grill and Griddle Cleaner

epa.gov/dfesafchoice

The U.S. EPA's Safer Choice Program helps consumers, businesses, and institutional buyers identify cleaning and other products that perform well and are safer for people and the environment.

ST-No.	New Item #	Case UPC No. Mfg. No.	Each UPC No. Mfg. No.	Case Size	Case Weight	Cases /Pallet	Yield
ST-786	#2307865	007865	N/A	48 x 3 fl. oz. packs	13.75 pounds	75	1 Grill

Glycerin-based grill and griddle cleaner for use in institutions and commercial kitchens. Fast acting formula easily removes grease and build-up. Nonflammable, non-toxic, and safe to use on hot surfaces — no need to shut down the grill.

Directions

Pour the contents of one pack evenly over hot griddle surface (300° - 350°F). Immediately spread GrillMate™ over entire surface and scrub as needed. Then, wipe or scrape into grease trap. Turn off griddle. Rinse surface and wipe clean with a thick damp cloth. Apply a thin coating of liquid shortening to prevent surface from rusting.

Chemical Characteristics

Appearance	Clear, Orange Liquid
Biodegradable	Yes
